

Budget Committee Meeting

3-20-25 6pm

Page, Kirby, Wille, Gordon, Greg Rutherford, Marcy Seeman, Courtney, and Sandra Sheldon in attendance.

We went over the water/sewer budget for the year. Most line items look good.

We have questions on 13 line items, Marcy will go through and see what is going on with those line items so we can finish out the budget, the accountant is supposed to come Wednesday next week to help clean up some line items in quickbooks.

Wells were upgraded to soft starts so they should be good for quite a while.

Tank behind water tower should be taken out of TIF not the 6040 line item.

Meeting adjourned at 7pm.

Respectfully submitted,

Courtney Nelson,

Recording clerk for budget meeting 3-20-25
